Dear General Sutrisno,

RE: Arrest of Xanana Gusmao

His Grace, the Most Reverend Desmond Tutu, has just been informed about the arrest of Mr Gusmao by your army.

Needless to say the Archbishop is shocked and alarmed that a man, who is generally considered the symbol of the perfect solution to the problems regarding East Timor, should instead be incarcerated by your government.

His grace urges you to adopt the necessary measures to locate Xanana and to release him immediately and to ensure his physical and psychological integrity at all times.

Thanking you in anticipation of a favourable response.

Yours faithfully.

Personal Assistant to Archbishop Desmond Tutu
